THIS MATTER is before the Court following the Pretrial Conference held on September 4, 2002 at the United States District Court, Santa Fe, New Mexico, and the oral motion made by the State of New Mexico *ex rel.* State Engineer (“State”) to adjudicate the water rights of Defendants **MARTHA CORDOVA** and **LUIS CORDOVA** (“Defendants”) by default order. The Court, having considered the record in this cause and being fully advised in the premises, finds:

1. The Court has jurisdiction of the parties and the subject matter herein.
2. Defendants filed a Statement of Water Rights Claim with the Court on December 11, 2000 (Docket No. 6068) claiming water rights in Section 5 of the Rio Chama Stream System.
3. The State disputed the water rights claims of the Defendants, and the State proposed that the Court adjudicate the claims of the Defendants as “No Right” or without water rights.
4. The Pretrial Order entered May 3, 2002 (Docket No. 6699) required the Defendants to make initial discovery disclosures to the State no later than July 30, 2002; the Defendants failed to

exchange this information with the State.

5. The Order Setting Pretrial Conference entered August 26, 2002 (Docket No. 6829) ordered Martha Cordova to appear before the Special Master on September 4, 2002 at the United States District Court in Santa Fe, New Mexico; the Defendant failed to appear as required.
6. Under Federal Rule of Civil Procedure 16(f), if a party fails to obey a scheduling or pretrial order, or fails to appear at a scheduling or pretrial conference, the Court may make such orders with regard thereto as are just, and among others, any of the orders provided in Rule 37(b)(2)(B), (C), (D).
7. The Statement of Water Rights Claim filed by Defendants in the above-styled and captioned cause should be stricken.

IT IS THEREFORE ORDERED that the Statement of Water Rights Claim filed December 11, 2000 (Docket No. 6068) is hereby stricken from the record in this case.

IT IS FURTHER ORDERED that the Defendants, their successors, representatives, heirs and assigns, are enjoined from any diversion or use of the public surface waters of the Rio Chama Stream System, Section 5, except in strict accordance with this Order or other orders of the Court.
